Jackie RUBLY

WEB DEVELOPER & DESIGNER

EXPERIENCE

FLEURA STUDIO

Founder & Developer

2024 - Present

My projects range from simple, elegant websites to full e-commerce platforms, always with the goal of making a business stand out and connect with its audience. I love working closely with clients to understand their goals and then crafting digital solutions that feel creative, personal, and professional.

PRINT NW, LLC

Systems Engineer & Web2Print Manager

2022 - 2024

I specialize in maintaining and enhancing digital storefronts, managing complex order processes, and ensuring efficient print production. My role is pivotal in integrating technology solutions that streamline operations, enhance customer experience, and maintain high-quality standards in print outputs.

TEETER

Web Coordinator & Developer

2021

At Teeter, my role was primarily responsible for implementing and managing the digital presence of a Teeter and affiliate entities, primarily third-party integration plugins with setup & configuration.
